Oatvia Foods Brand Guidelines

Good oats, every day. · Version 3.0 · November 2026

Demo brand created for the BrandSentinel prototype. Oatvia Foods is fictional.

Who we are

Oatvia Foods makes simple, high-protein snacks from whole-grain oats grown in India. We were founded in 2023 in Pune. Our products: Oatvia ProBar (Choco Almond and Peanut Butter) and Oatvia Oat Milk.

Everyone who writes for Oatvia (our team, agencies, partners and AI tools) must follow these guidelines. Every post is checked before it goes live.

Voice and tone

We talk like a friend who loves good food, not a salesperson. We never pressure people: no 'hurry', 'last chance', 'don't miss out', 'grab it NOW' or 'limited time only'. A simple call to action like 'shop now' or 'pick yours up' is fine.

Do: Pick yours up today.	Don't: Grab yours NOW before it's gone!!

Use at most one exclamation mark in a post. Launch posts may use two. Never use two in a row ('!!').

Do: Meet ProBar Choco Almond!	Don't: So excited!!! Try it!

Don't write words in capital letters for emphasis. Allowed exceptions: MRP, T&C, FSSAI, and offer codes exactly as written in an approved offer (for example OATVIA20).

Do: New: ProBar Choco Almond	Don't: NEW ProBar, BUY NOW

Food is never 'good' or 'bad', and bodies are never a problem to fix. Never use 'guilt-free', 'cheat meal', 'junk food', 'sinful', 'skinny', 'burn it off' or similar.

Do: A snack that fits your day.	Don't: My guilt-free snack, no more cheat meals!

Emojis are welcome but light: at most 1 on LinkedIn and at most 3 on Instagram.

Do: (LinkedIn) one emoji in the post	Don't: (LinkedIn) three emojis in one post

Words and names

Always write our names exactly like this: Oatvia, Oatvia ProBar, ProBar Choco Almond, ProBar Peanut Butter, Oatvia Oat Milk. Never OatVia, Oativa, Probar, Pro Bar or Oatmilk.

Do: Oatvia ProBar	Don't: OatVia Probar

Never use these words, because they are misleading or not allowed for food: superfood, miracle, detox, cure, chemical-free, doctor recommended, doctor approved, clinically proven.

Do: Made with whole-grain oats.	Don't: A miracle superfood that detoxes your body.

We write in Indian English: flavour, colour, favourite, fibre, centre, litre (not flavor, color, favorite, fiber, center, liter).

Do: Our favourite flavour	Don't: Our favorite flavor

Write prices with the rupee symbol and no space: ₹99. Never 'Rs.', 'Rs', 'INR' or '₹ 99'.

Do: ₹99	Don't: Rs. 99 / INR 99 / ₹ 99

Put a space between the number and the unit and use short units: 20 g, 240 kcal, 120 mg, 100 ml. Never 20g, 20gm, 20 gms or 100ml.

Do: 20 g protein	Don't: 20g protein / 20gm

Every Instagram post includes our brand hashtag #OatviaEveryday.

Do: #OatviaEveryday	Don't: (no brand hashtag)

Use at most 5 hashtags in a post.

Do: #OatviaEveryday #ProteinSnack	Don't: 7 or more hashtags

Project code names, unreleased products and partners we are still talking to are confidential (the current list is kept in BrandSentinel's brand settings, for example 'Project Harvest'). They must never appear in a caption or an image.

Do: Something new is coming soon. Stay tuned.	Don't: Sneak peek of Project Harvest

Claims

Don't call us 'No. 1', '#1', 'the best', 'India's favourite', 'most loved' or 'healthiest' unless an approved fact with a source says so. Right now, no such fact exists.

Do: A protein bar with 20 g of protein.	Don't: India's No. 1 protein bar

Every number we publish (protein, calories, nutrients, prices, discounts, number of stores or cities) must match the Fact Bank exactly. If a number isn't in the Fact Bank, don't use it.

Do: 240 kcal per bar	Don't: Only 200 calories!

Following the CCPA greenwashing guidelines (2024), we only make environmental claims we can prove. The only approved one today: 'our outer box is made from recyclable paperboard'. The inner wrapper is not recyclable. Never say eco-friendly, green, sustainable packaging, plastic-free, 100% recyclable or carbon neutral.

Do: Our outer box is made from recyclable paperboard.	Don't: 100% recyclable, plastic-free, eco-friendly pack

Our products are food, not medicine. Never say they help with weight loss, boost immunity, prevent or cure any condition, are safe for diabetics, or are good for the heart.

Do: 20 g of protein to go with your day.	Don't: Helps you lose weight and boosts immunity.

Words like 100% natural, vegan, gluten-free, sugar-free and no preservatives may only be used for a product when the Fact Bank says so for that exact product. ProBar Choco Almond is vegan; ProBar Peanut Butter is not. No product is gluten-free.

Do: ProBar Choco Almond is vegan.	Don't: ProBar Peanut Butter is vegan and gluten-free.

An offer post must use the code, discount and dates of a current approved offer exactly, and include 'T&C apply'. Never promote an offer after its end date.

Do: 20% off with code OATVIA20 until 30 Nov. T&C apply.	Don't: 15% off with DIWALI15 (expired), no T&C

Talk about what we are, not what others aren't. Don't compare us with competitors or with other foods (for example 'better than dairy milk' or 'unlike other bars').

Do: Creamy oat milk for your chai.	Don't: Creamier and better than dairy milk.

Following ASCI's influencer guidelines, every post by a paid partner or influencer must start with '#ad' or 'Paid partnership' so people know it's an ad.

Do: #ad My afternoon snack: Oatvia ProBar	Don't: My afternoon snack: Oatvia ProBar (no disclosure)

Any post about ProBar Peanut Butter must include the words 'Contains peanuts'.

Do: ProBar Peanut Butter. Contains peanuts.	Don't: (no allergen line)
